About us

*BFG is a natural modeling & talent competition that celebrates **NATURAL BEAUTY**. Our judging panel consists of agents from the top modeling and talent agencies in the Southeast. Launched in August of 2004 we have helped over 700 contestants from all over GA and the SE to be discovered and signed. Many have already been cast in major print ad campaigns, catalogs, commercials, and a few have even landed roles in major motion pictures! These were regular kids just like your child that had a special spark and were seen and discovered by the right people. No classes or portfolios are needed or required. We use only reputable booking agencies that make money by finding your children work. We do not use or promote agencies that solicit for classes or portfolios. All you need at BFG is a great face and a great smile!*
